Open to Relocation & Remote Work

Professional Summary
Mechanical Engineer with over 15 years of experience in mining equipment management, maintenance, and fleet performance optimization in large-scale mining and construction projects. Experienced in commissioning and training on heavy machinery in an international project in Venezuela and collaborating with major holdings such as Yazd Steel Holding and Foolad Iranian (Golgohar Mine No. 4). Specialized in preventive and corrective maintenance planning (PM/CM/EM), oil analysis, Komatsu parts coding, and inventory management. Holds academic, educational, and industrial credentials from reputable domestic and international associations.

Memberships & Credentials

- Iranian Society of Manufacturing Engineering (SMEIR)
- Iranian Society of Mining Engineering (SME)
- Iranian Society of Engineering Education (ISEE)
- Association of Manufacturers and Importers of Heavy Mining, Construction, and Road Machinery
- International Researcher and Author ID (ORCID): 0009-0005-7618-8462
- Former Member of the Young Researchers and Elite Club

Work Experience
General Manager of Mining Equipment | Yazd Steel Holding – South East Iranian
2026 – Present

Mining Equipment Supervisor | Omran Kalout Jonoub Co. – Golgohar Mine No. 4 (Foolad Iranian)
2022 – 2025

Mining Equipment Supervisor | Mesh Derakhshan – Takht-e Gonbad Copper Mine
2021 – 2022

Technical and Mining Equipment Manager | Aria Jonoub Iranian Co. – Kavir Iron Ore Mine (Esmaloun)
2019 – 2021

Head of Technical Office for Machinery | Perlit & Fellar Partnership – Sistan and Baluchestan Regional Water Authority
2017 – 2018

Head of Technical Office for Machinery | Abad Rahan Pars International Co. – Star Refinery
2014 – 2017

Maintenance and Repair Officer | Khatam al-Anbiya Construction HQ – Garmsiri Project
2011 – 2014

International Project
Official Shantui Representative | Espadana Co. – Bolivar Gold Mine, Venezuela
August 2020 – December 2020

- Commissioned, delivered, and trained operators on 28 heavy machines (loaders, bulldozers, graders, and dump trucks).
- Recruited local personnel and conducted on-site training on operation, maintenance, and PDI-PM procedures.

Education
Bachelor of Science in Mechanical Engineering – Manufacturing and Production
Islamic Azad University, Doroud Branch | GPA: 17.60 / 20

Skills

- **Technical:** Mining equipment management, maintenance and repair (CM/EM/PM), oil analysis, Komatsu parts coding, inventory management, warehouse layout design (dynamic and static) based on (ABC, VED, XYZ, 3D MUSIC) standards, Reorder Point (ROP) and Economic Order Quantity (EOQ) calculation, familiarity with ISO/ISIRI/ASTM/ASME standards, welding inspection (AWS-QC-1), software (LINK ONE, SIS, OFFICE), Rahkaran.
- **Managerial:** Strategic maintenance planning (CM/EM/PM) and monthly analytical reporting for efficiency improvement. Ability to extract from specialized machine manuals and plan operations according to manufacturer recommendations.
- **Soft:** Fleet management and leading technical and operational teams, cross-functional collaboration, technical reporting, human resources management, strategic planning, providing solutions for higher productivity.
- **Languages:** English (Good – Speaking, Reading, Writing).

Certifications & Training

- Maintenance and Repair Principles | HESCO Co. | 80 hours
- Management Principles | Dr. Maziar Mir | 80 hours
- AWS-QC-1 Welding Inspection | Iranian Welding and NDT Society (IWNT) | 80 hours
- CNC Turning and Milling | Technical and Vocational Organization, Khorramabad | 1200 hours
- Hydraulic Hose Pressing | Metaco Co. | 80 hours
- General Machinery Service and Maintenance | Yekran Vazin Aria Co. | 20 hours
- Mining Machinery Safety | Eng. Hamidreza Ahrari | 20 hours
- Human Resources Management | Iran Khodro Diesel Co. | 20 hours
- Oil Analysis for Mining Machinery | Novin Net Pars Engineering Co. | 20 hours
- Mining Tire Identification | Dr. Mighani | 20 hours
